### **Windsor, California – Windsor Announces New Planning & Building Director**

**Windsor, California (December 9, 2010)** – The Town of Windsor is proud to announce its new Planning & Building Director James Bergman who is replacing Peter Chamberlin who retires December 31<sup>st</sup>. Bergman's has a Masters Degree with Distinction from Cal-Poly San Luis Obispo in City and Regional Planning. He is a member of the American Institute of Certified Planners (AICP).

As the Planning Manager in the City of Arroyo Grande, Bergman worked on General Plan updates and amendments, Zoning updates, Urban Growth Boundary issues, a local Climate Change Action Plan, California Environmental Quality Act issues, Smart Growth and Green Building principles. He helped Arroyo Grande in its desire to preserve, enhance and share its history, maintaining a unique small town identity, promoting tourism, developing public policy to ensure well planned and controlled development and the preservation of a high quality of life.

Town Manager Matt Mullan had this to say in making this appointment, "Windsor will miss Peter Chamberlin and his contributions over the past decade, but at the same time, we are fortunate to have a person with such impressive education and experience ready to step in and continue the tradition of quality planning and sustainable development that has become the standard in Windsor."

Bergman will start in his new position on January 3, 2011.
