Windsor, California Community Input Sought of Town of Windsor Budget

Windsor, California (May 9, 2011) – Windsor residents and businesses are invited to comment on the Town of Windsor's proposed 2011-2013 operating budget scheduled to be presented to Town Council on both Wednesday May 18 and June 1 at 6:00 p.m. in the Town Hall Council Chambers located at 9291 Old Redwood Highway. These meetings are to review, discuss and consider the Town of Windsor's proposed operating budget and five-year Capital Improvement Program (CIP).

The 2011-2013 biennial budget and CIP have been developed in accordance with the Town's financial management policies adopted by Council in 2001. The proposed budget preserves core municipal services while advancing the goals and policies of the Town Council.

"The Council understands that the Town must be proactive in the implementation of prudent and conservative budgeting procedures and has to date maintained annual spending in line with current revenues," stated Mayor Allen. "This budget focuses our efforts to provide quality core services while meeting our goals recognizing that considerable uncertainty remains about the future of the economy." The public is invited to participate in the review and refinement of the Town Budget.
