A. Household Hazardous Waste Program. Pursuant to a license agreement between the Agency and the County of Sonoma, the Agency operates a program at the Sonoma County Central Landfill (the “**Central Landfill**”) for the collection and storage of Household Hazardous Waste. The Agency separately contracts with an operator to collect, sort, store, package and transfer the Household Hazardous Waste collected by designated haulers and other entities approved by the Agency, and from members of the public who are residents of a Member. Hazardous Waste generated by small quantity generators may be accepted, but shall be funded entirely by the generators using the service. Even if all Members withdraw from the Current Program, the Agency shall retain the authority set forth in subsection iii below, even if that authority is not exercised. The withdrawal of all Members from the Current Program shall not constitute an elimination of the Organic Materials Program requiring an amendment to this Agreement.

iii. *Alternative Organic Materials Programs.* The Agency shall have the authority, at the direction of the Agency Board, to solicit information and/or request proposals for alternative programs for diversion of organic materials to serve some or all of the Members. The Agency shall serve as a resource to its Members in developing solutions for the diversion of organic materials that will serve the region, either through the development of a single regional organic materials program or multiple programs serving individual Members or groups of Members, including providing advice and expertise to such Members, as directed by the Agency Board. The Agency shall assign responsibility for payment of any civil penalties as follows: (a) The Agency shall pay the entire penalty, or (b) an individual Member is responsible for the assessment of the civil penalty and the entire penalty shall therefore be imposed upon that member for payment of the penalty; or (c) multiple Members, but not all Members, are responsible for the assessment of the penalty and the penalty therefore shall be allocated equally upon those responsible Members, or (d) the Agency and the individual Members which are also responsible for the penalty shall pay the penalty in amounts proportionate to their responsibility for the penalty. Before apportioning a penalty to one or more Members pursuant to this Section, the Agency shall provide written notice to such Members that explains the basis for apportionment of responsibility for the penalty, and shall provide an opportunity for a hearing before the Agency Board prior to assessment of any such penalty.
