### **Town of Windsor Recognized by The Press Democrat “Best of Competition!”**

#### **Windsor, California – Best Music Festival or Music Series**

The 2018 best of the best in Sonoma County celebrated the winners this month at the Luther Burbank Center for the Arts.

Each year, The Press Democrat holds “The Best of Sonoma County” where people throughout the County vote on their favorites. Many winners include local restaurants, wineries, spas, professional offices and more! This year, the Town of Windsor earned recognition for their annual Summer Nights on the Green concert series. The concert series runs Thursday evenings late May through early September with the help of generous donations by local organizations, including a partnership with the Windsor Farmer’s Market to extend the series for all to enjoy.

Accepting the award on behalf of the Town at the October 10 event were Vice Mayor Foppoli, Parks and Recreation Director Donna Legge, and Recreation Division Manager Jon Davis. Also, in attendance was Councilmember Sam Salmon and Town staff. An enthused Mayor Bruce Okrepkie said, “congratulations to the Parks and Recreation Department on this award!”
