

RESOLUTION NO. 3587-20

**A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF WINDSOR
ESTABLISHING THE AMOUNT OF USER FEES FOR MISCELLANEOUS SERVICES
AND REPEALING PREVIOUSLY ADOPTED USER FEES FOR SUCH SERVICES**

WHEREAS, the Town of Windsor provides miscellaneous public services of a discretionary nature, as these services can be withheld from customers for non-payment, in addition to community-supported public services which are paid for by Town tax revenues for general social, safety or welfare reasons; and

WHEREAS, the Town of Windsor engaged NBS Local Government Solutions to conduct a cost of service study for its miscellaneous discretionary service to determine the estimated and reasonable costs borne by the Town to provide these services; and

WHEREAS, NBS Local Government Solutions prepared a report dated July 2008, entitled “Cost of Service Study for Analyzing User Fees and Regulatory Fees” (Report), which provides a generally accepted cost of service analysis and a Master Fee Schedule that were approved by Town Council on August 20, 2008 by Resolution No. 2347-08; and

WHEREAS, the Town wishes to comply with both the letter and the spirit of Article XIII B of the California Constitution; and

WHEREAS, in adopting the user fees for Town services as set forth in this Resolution, the Town Council of The Town of Windsor is exercising its powers under Article XI Section 7 of the California Constitution, Section 66000 *et seq.* of the California Government Code, and other applicable law; and

WHEREAS, the Town has general policy of recovering the full costs reasonably borne of providing miscellaneous discretionary services of a voluntary and limited nature, such that general tax revenues are not diverted from services of a broad nature and thereby utilized to subsidize such miscellaneous discretionary services; and

WHEREAS, the user fees set forth in the Master Schedule of Fees adopted by this Resolution is consistent with the requirements of Article XIII D of the California Constitution pursuant to *Apartment Association of Los Angeles County v. City of Los Angeles* (2001) 24 Cal. 4th 830, in that such fees are not applicable to incidents of property ownership, but rather actual uses of Town services; and

WHEREAS, in accordance with Government Code Section 50076, user fees and regulatory fees that do not exceed the reasonable cost of providing the service or of performing the regulatory activity for which the fees are charged, as applicable, and which are not levied for general revenue purposes, are not special taxes as defined in Article 3.5 of Government Code; and

WHEREAS, a schedule of user fees and regulatory fees to be paid by those requesting such miscellaneous discretionary services was adopted so that the Town might carry into effect its policies; and

WHEREAS, it is the intention of the Town Council to update the miscellaneous user fees and regulatory fees of the Master Fee Schedule based on the Town's budgeted and projected costs of the services described in Exhibit "A" attached hereto and incorporated herein by this reference; and

WHEREAS, the user fee for miscellaneous discretionary services, which is described in Exhibit "A", is hereby determined to be reasonable in that the amount thereof does not exceed the estimated reasonable costs of providing the miscellaneous discretionary services for which the user fees are proposed to be rendered; and

WHEREAS, adoption of the user fees set forth in Exhibit "A" is intended to recover costs necessary to maintain such services within the Town within existing service areas and is not a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to 14 California Code of Regulations ("CEQA Guidelines") section 15378(b)(4) (the creation of government funding mechanisms or other government fiscal activities which do not involve any specific commitment to any specific project which may result in a potentially significant impact on the environment); and/or CEQA Guidelines section 15273 (statutory exemption for rates, tolls, fares and charges within an existing service area); and/or CEQA Guidelines section 15061 (b)(3) ("common sense" general exception where there is no possibility the activity in question may have a significant effect on the environment).
