WINDSOR SENIOR RECREATION CENTER

COVID-19 Social Distancing Protocol

- Welcome back to the pool! Please make sure you arrive dressed in your swimming attire, as the changing rooms will be closed. Please don't share any of your own lap swim equipment or goggles. Water noodles and water weights will be available for rent. They are not to be shared and are to be brought with you and taken home with you each time you participate.
- Remember, masks are encouraged until you are in the water. Please remember that this is a new and challenging way of operating the pool and we ask for your utmost patience and respect to the staff, who is very excited to welcome you back!
- Once checked in at the front of the building, please line up in the corresponding socially distanced spaces. Upon entering the pool please use the hand sanitizing station located at the entrance gate.
- Please proceed to one of the socially distanced pool deck chairs, where you may place your belongings. Don't worry, this space was cleaned and disinfected after the last user.
- If you need to use the restrooms prior to getting into the pool or after your swim, the facility monitor will unlock the door for you and then disinfect high touch surfaces after you exit. The indoor shower facilities will be closed but there will be a rinse off shower available for use on the pool deck.
- When you are finished please exit the pool without crowding other swimmers, if you must wait for space to clear please do so. Since we are only allowing one person in the restrooms at a time we ask that you do not change in the stalls as a courtesy to others.
- Reservations are required for all programs due to limitations in capacity to maintain COVID-19 physical distancing. To reserve a space for Senior Lap Swim, Senior Open Swim, or Senior Water Fitness, either sign into your existing account or create an account at townofwindsor.perfectmind.com log in, click "Activities" and select and look under the Aquatics section. If you have attended a program at the Windsor Senior Recreation Center in the last 18 months, you already have an account. If you need assistance logging into your existing account, or if you would like to reserve your spot by phone, please call 707-838-1250.
