

Town of Windsor Preschool Programs 2022-23

The Town of Windsor is proud to be offering Preschool to the community since 1995. The goal of the Town of Windsor's Preschool Program is designed to meet parental expectations by offering programs for young children that provide a foundation for lifetime learning and a strong sense of community in a nurturing environment.

Each of our three programs, which are described in detail below, offer a different focus so that parents have a choice. All three programs provide a 7:1 teacher to student ratio. To keep the rates affordable, families are charged for days of operation only with no fees charged on closures due to holidays with the exception of allocating three Public Safety Power Shutoff (PSPS) closure dates for each program session for the school year. **Preschool starts August 16-May 26. Below fees are based on the first semester, August-December. School will be closed on the following Holidays: 1/16, 2/20, 3/20-3/24. Please note:** Children under the age of 4.9 years cannot attend more than 12 hours of early childhood education per week. Children over the age of 4.9 years cannot attend more than 20 hours per week. Discover, Wonder and Explore class can be added as an addition hour to Montessori in Motion.

CHILDREN'S CIRCLE

Instructors: Suzanne Mathison and Staci Sikes

Age: 2½ - 3½+ years

Place: Windsor Community Center

Children's Circle provides a nurturing, learning environment in a small group setting. It is an ideal class for those children who are coming to "school" for the first time. Through stories, songs, cooking, and playing, children will develop the social, motor, listening, and expressive language skills which lay a solid foundation for later academics. We encourage each child's natural creativity, and their desire for exploration and discovery. Parents are asked to contribute a nutritional snack once a month for the entire class. In this class, we can accommodate children who are partially toilet trained (pull-up pants, no diapers please). Fridays are scheduled to start on September 7, with a minimum of 8 students to start. If interested in registering for Fridays, please email Maureen Landwehr at mlandwehr@townofwindsor.com.

KINDERCLUB

Instructors: Leena Chung, Stephanie Sanchez and Vanessa Camacho

Age: 3 - 5 years

Place: Windsor Community Center

Kinderclub is a play-based learning community of 3-5 year olds. Class options of Monday, Wednesday, Friday or Tuesday, Thursday allow for a schedule that best fits the needs of your family and child. Each class follows a daily routine of free play, circle time, small groups, and outdoor play. Developmentally appropriate curriculum engages students in our monthly themes which explore various subjects in an ever-changing way. Throughout the year we also focus on social and emotional skills essential to kindergarten readiness. In this unique setting, your child interacts with a variety of peers and therefore has the opportunity to learn skills in problem-solving and friendship. The children will bring a lunch to school each day. This provides the student opportunities to practice independence and kindergarten readiness. We look forward to welcoming your child and family to our Kinderclub community! Upon enrollment, children must be toilet trained (no pull-ups please). www.townofwindsor.com/kinderclub

MONTESSORI IN MOTION

Instructors: Michelle Vassallo, Diana Amaya and Julie Riedel

Age: 3-6 years

Place: Huerta Gymnasium

Montessori In Motion fosters the emotional, intellectual, physical, and social development of the whole child by addressing the uniqueness of each child in a nurturing, emotionally supportive, and enriching academic environment. Children participate in a variety of hands-on activities and work at their own pace allowing them to reach their potential in all areas of development. The inviting learning environment emphasizes grace and courtesy, and collaborative play. The curriculum areas include practical life (care of self and care of the environment), sensorial (activities that educate through the five senses), math, language, science, culture, music and art. Daily Spanish is integrated into our curriculum. An engaging circle time and outdoor play completes this joyous experience. These educational endeavors lay a solid foundation for kindergarten readiness and academic success as well as life skills. The children will bring a lunch to school each day. This provides the student opportunities to practice independence, preparation of meal space, table setting, manners and clean-up. Upon enrollment, children must be toilet trained (no pull-ups please).
