

Windsor River Road / Windsor Road Intersection Improvements and Multi-Use Path Connector Project (Roundabout)

Construction Detour

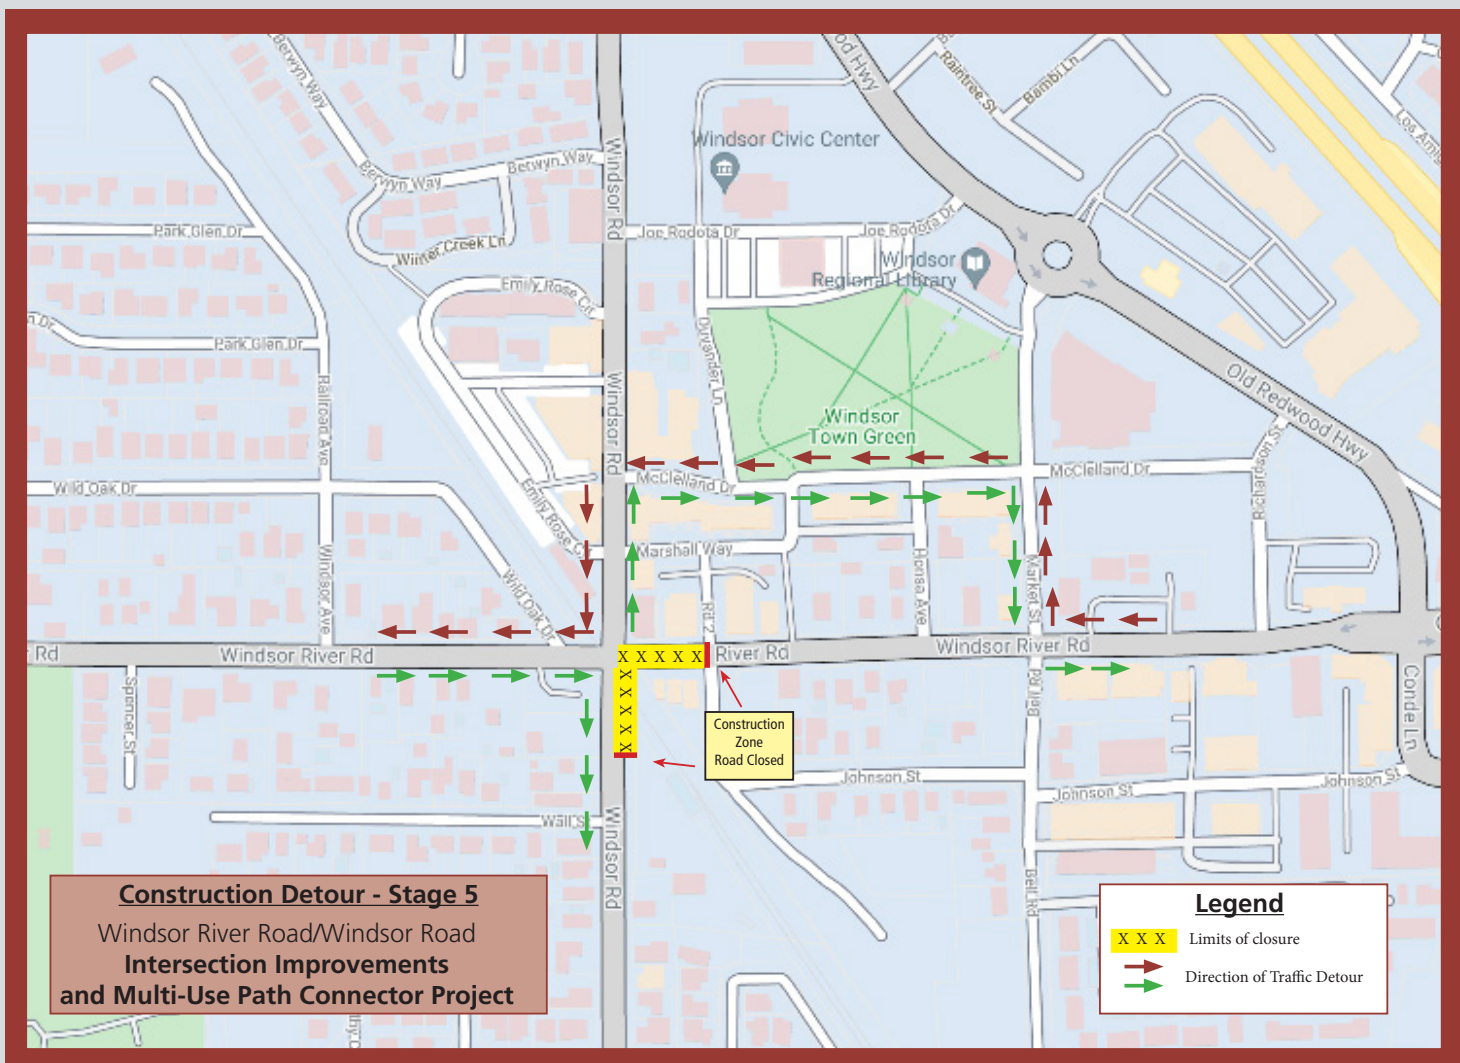

Stage 5 - June 6th through Mid July

Northbound Windsor Road closed between Wall Street and Windsor River Road

- Northbound Windsor Road detour for eastbound Windsor River Road: East on Mitchell Lane to north on Conde Lane to Windsor River Road.
- Northbound Windsor Road detour for westbound Windsor River Road: West on Reiman Lane to north on Starr Road to Windsor River Road.

Windsor River Road is closed in both directions between Windsor Road & Bill Beedie Way

- Westbound Windsor River Road detour: North on Market Street to west on McClelland Drive to Windsor Road.
- Eastbound Windsor River Road detour: North on Windsor Road to east on McClelland Drive to south on Market Street to Windsor River Road.
- **Dates subject to change due to unforeseen conditions, weather etc.**
- **Drive with caution and allow extra time.**

Businesses will remain open during construction, and the Town and our contractors are working to minimize the impacts to residents and businesses.
